

1100 Litre Giant Home Wheelie Bin Service – Short Term Hire (STH)

Thank you for choosing the Giant wheelie bin service from Grist Environmental and please take note of the following information:

Please do:

- Locate the wheelie bin on your private property, not on a pavement or highway, and on flat level hardstand, not grass.
- Wear gloves and thoroughly wash your hands with soap and water, as per Government advice, before and after using the wheelie bin.
- Lock the wheels at all times.
- Refer to our standard Terms & Conditions at: www.gristenvironmental.com

Please don't:

- Attempt to move the wheelie bin or release the brake
- Overfill the bin – The lid must close
- Fill it with very heavy material. When we collect the bin, we need to move it safely.

The following details what can and can't be put in the bin for **SAFE TRANSPORTATION, RECYCLING** and **ENERGY RECOVERY** reasons:
